Work experience

Video editor
UADEN Prime | remote
March 2026 - August 2026

As an editor at UADEN Prime, I optimized business and marketing executive courses by removing pauses and structuring fluid lessons, while producing high-retention Reels and TikToks through dynamic cuts, visual hooks in the first seconds, word-for-word animated subtitles, and precise sound design.

Video editor
PROGRESSO | remote
January 2026 - July 2026

At Progress I was the "final filter" ensuring courses and instructions are clear, exact, pedagogically effective, and engaging for students.

Video editor
305MediaClub | remote
August 2025 - April 2026

I edited all content for personal brands, companies, and informational videos, with high retention and delivering the core message

Marketing Manager
CelularNyM | Cali, Valle del Cauca
January 2024 - April 2026

planned, designed, and executed the company's commercial strategies to increase sales, attract customers, and position it on social networks.

Education

Multimedia engineering (7th Semester)

USB | Cali, Valle del Cauca July 2023
- Present

I am a video editor, using Adobe After Effects and Capcut Pro, creative content, motion graphics, and script creation to sell your product.

Skills

Graphic Design **Viral scripts** **After Effects** **Video editor** **Audience Retention** **Premiere** **Viral hooks** **Capcut Pro**

Additional information

As a video editor, screenwriter, and post-production specialist, I handle the entire creative process: I write structured scripts to capture attention from the first second and transform raw footage into high-impact, retention-focused pieces, combining strategic narrative, dynamic pacing, animated subtitles, and sound design so your brand stands out, connects with the audience, and converts on social networks.
